YOUR 2011 FALL AND WINTER NEWSLETTER

Dear Family & Friends,

The 10th Anniversary of 9-11 this year has triggered us to reflect on what it means to us to remember someone that we have lost. Revisiting that day in 2001, it is easy to remember where you were and what you were doing at that moment. That memory is something that will stick with us forever. Our advice to you on this upcoming year, 2012, is to work harder at remembering the good memories that you have about those whom you may have lost that may have been very near and dear to you.

Fall is here, and winter is just around the corner. With the holidays approaching we have enclosed your Wreath Order Form. In addition to the wreaths on the order form enclosed, we will have a limited number of other special designs available. All of our holiday decoration selections, with the exception of the blankets, will be on display in our office beginning Saturday, November 15th.

*Please remember before March 1st, of 2012
you will need to remove any items that you wish to keep.
March 1st is the date we remove all winter decorations and begin spring cleanup.
Mylar balloons are always prohibited.*

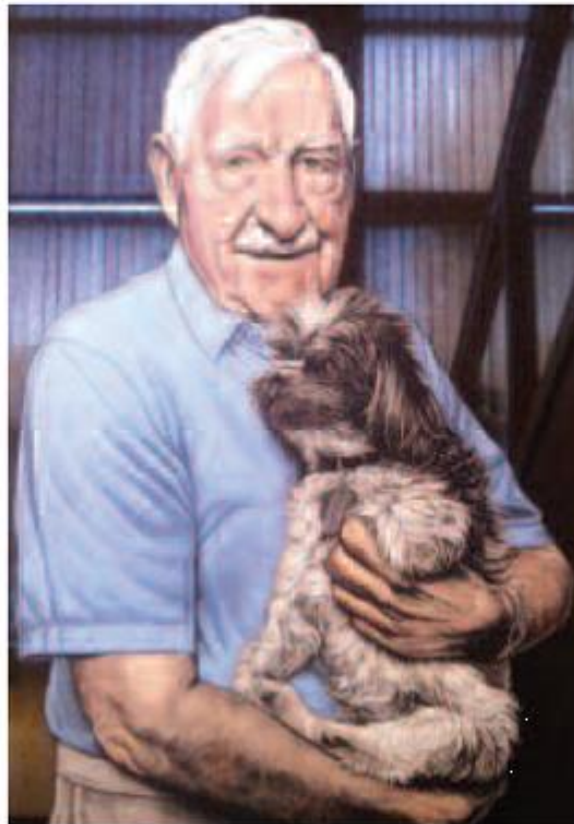

What would you name our new Garden?

The excavation and clearing process has begun for our new garden, section 47. This section is located on the hill across the road from the Garden of Freedom and up from the Garden of faithful Friends. However, we can't possibly open a new garden without a name. That is where you come in. We are asking our families and visitors to submit a name that they think would be appropriate for Section 47 while keeping in mind the other themes within Jefferson as well as what would be a good theme for us to start incorporating into the park. To submit a suggestion, call the office at 412-655-4500.

Additional Garden Projects

Garden of the Guardians, section 2, is being extended as well. Guardians is one of four sections in the park that offer lawn crypts. Lawn crypts are constructed by excavating an area, installing double depth chambers, a provision made for drainage, then replacing the soil. They are generally less costly to the consumer than two traditional burial spaces combined with two burial vaults. (Pictured Right: Guardian Angel Feature, Section 2, Guardians)

The Guardian of Faithful Friends' outdoor Mausoleum is also coming together. The granite has come in for the front of the crypts as well as for the cremation niche units. The pets and family murals are in the final process of completion. (Pictured Below: Mr. Neel and Crackers)

Why People Pre-Arrange

Jefferson Memorial Cemetery and Funeral Home is here to answer any questions regarding any products or services. We take pride in our licensed staff that can assist you on our grounds, or at your home with questions and arrangements.

Pre-arranging is nothing new, and folks have been doing it since the 1930's. Last year 92% of our burials had already purchased cemetery property. Only 8% of them had to purchase property at the time of need. This relieves a lot of emotional pressure, unnecessary overspending, and fear of making the wrong decision for a family member or friend. So if you have any questions at all, please call our office at 412-655-4500 and we will be glad to help you.

Jefferson's Composting Operation

Adding to the diversity of Jefferson Memorial, we participate in a joint public-private operation with the South Hills Area of Governments (SHACOG) in composting the leaves in the south hills of Pittsburgh. The operation covers 10 municipalities, with 40 private landscaping companies participating and has been going on for 17 years.

Keeping your Grass Green

Since Jefferson Memorial has been taking care of lawns since the 1930's, we would like to take care of yours as well. L & M LAWNCARE is a division of Jefferson Memorial Park. Our patented liquid granular process that promote root development is a very environmentally friendly approach. Our technicians are licensed and very knowledgeable in turf management. L & M LAWNCARE will make a difference in your home lawn, so please call for a free, no obligation, estimate at 412-655-4141.
